Navision Support Analyst Calgary

Packers Plus is the pioneer of open hole, multi-stage horizontal fracturing and we provide technology-based solutions to the oil and gas industry around the world. We are looking for a **Navision Support Analyst** in our downtown Calgary office.

The **Navision Support Analyst** will provide support to Packers Plus end users.

Key Tasks and Responsibilities

- Create, update and compile manual for Packers Plus Navision users
- Ensure user security features are maintained
- Set-up and configure Navision, including testing environments, new users, and new features
- Provide assistance with user support
- Update the live database as required
- Provide assistance with training of employees
- Ensure the Navision system works to its full potential

Educational Requirements

- Post Secondary Degree in Information Technology is an asset

Competencies, Skills and Experience

- Minimum of 2 to 3 years experience in an IT role
- Excellent knowledge of the Navision system, preferably in a finance or manufacturing environment
- Strong technical skills and understanding of database programs
- Ability to communicate information to assist users with problems in a clear and comprehensive manner
- Strong ability to respond to inquiries in a timely manner
- Ability to deal with issues that arise in an effective manner
- Highly adaptable and responsive to changing business needs
- Ability to manage own time effectively and work collaboratively with end users

About Packers Plus

Packers Plus Energy Services is the pioneer of open hole, multi-stage horizontal fracturing systems with locations in the United States, Canada and around the world. Staffed with some of the industry's best completions personnel, Packers Plus provides technology-based solutions to the oil and gas industry around the world.

We are unlike any other completions company. Ingenuity in product design, combined with customer intimacy, operational excellence, and knowledge of the needs of producers sets us apart from the pack. Look for the introduction of a number of exciting, new and innovative products which are designed to reduce well costs, improve production, and maximize profits.

Email your cover letter and resume referencing the above position to careers@packersplus.com.
